

Instructions: GC-MS lab report

A Turnitin link has been created for the submissions of the laboratory report.

You should submit **one laboratory report for each practical**.

The deadline for the submission of the GC-MS report is **Monday the 25th of April 2022 at 23:59**.

The report should contain all the relevant information about the practical session:

1. date and title of the experiment;
2. brief introduction;
3. aim of the experiment;
4. methodology (brief record of what you did);
5. results: chromatograms;
6. brief discussion of the result obtained;
7. references (2-4).

Each lab report will be assessed independently, and an overall mark awarded.

Make sure you check your Turnitin score before submission. Turnitin score MUST be below 25%.

The deadline for the online submission of the GC-MS report using Turnitin link (available in "Assessment and Feedback folder") is **Monday the 25th of April 2022 at 23:59**.

Please note, to write down your report you have been provided with a file containing results of the **sample** (clove oil extract) and **eugenol standard** (diluted reference standard).
