Submission Date: 9th May 2022

# Learning Outcomes

01

Critically examine the role and practice of leadership within an education context

02

Explore the impact of different approaches to educational leadership on individuals and/or teams

03

Use leadership theories to critically examine an issue within education leadership

# Suggested Title

The best thing to do is write your own!

If you can't/won't, here are some suggestions...

- 
- Opportunities and challenges in developing my leadership role in...{current context}
  - Horizontal leadership: the challenge of leading peers
  - Empowering teachers: an exploration into the art of leadership for motivation
  - Ubuntu Leadership: education leadership as community building
  - Do women make better school leaders?
  - The trials and tribulations of leading from the middle
  - Do good teachers make good leaders?
  - The role of emotional intelligence in effective leadership and its relevance in educational context
- 

Let's think of a few more titles...
